IEU - the Union for early childhood teachers

November 2017

Dear Director,

The IEU is taking the national case for equal pay for early childhood teachers to the industrial tribunal. We need your help and support to fight this case. Fill out our [survey](#).

### Hearing the Indigenous voice

Many early learning centres have Reconciliation Action Plans (RAPs) and actively work to include Indigenous understanding into their centre or preschool.

### Are developers gouging parents?

Developers and landlords are inflating the cost of childcare and condemning children to spending their childhood in crappy environments, Early Childhood Consultant Lisa Bryant writes.

### Equal Remuneration - help needed

Members would be aware that the IEU is currently running a case in the Fair Work Commission for equal pay for early childhood teachers and directors with primary teachers and other professionals.

### A degree matters

The State of Early Learning Report 2017 shows slightly less NSW children are presenting at school developmentally vulnerable compared to the national average.
