July 2020

Welcome to the second edition of Headlines for 2020.

In this issue the Principal of Regina Coeli Catholic Primary School in Beverly Hills, Chris Egan, shares how his school made it through the past six months. We update you from our seat at the Learning Progressions table; and we take a look at the sobering findings of the latest Australian Principal Occupational Health, Safety and Wellbeing Survey.

The union hopes you will enjoy this edition of Headlines and we encourage you to share it with your colleagues.
