

FOR THE NOTICE BOARD

SPECIAL EDUCATION TEACHERS

COLORADO SPRINGS - COLORADO - JANUARY 2020

An exchange opportunity for a Special Education Teacher in Colorado Springs has become available commencing January 2020. An exchange is the direct swap of your position and accommodation; you are paid by your home employer; your year away is counted as a year of service. The IEU assists you with your work visa; your spouse is allowed to work whilst in Colorado and paid in US dollars; and your children are able to attend local schools (there are no school fees).

Michelle teaches at the Academy for Advanced & Creative Learning School in Colorado Springs; an amazing public charter school.

Michelle has a Master's degree in Technology, a Juris Doctorate (a law degree), a Master's degree in Special Education and an endorsement in Gifted and Talented Education. She also works with the state of Colorado to develop curriculum. Michelle is also the Lead Coach of the Academy's Best Robotics team and hence a Robotics coach. She is a dedicated teacher, is Christian, and has excellent references.

Michelle is married to Greg, a lawyer, and has two children. The family are avid cyclists, rock climbers, runners and swimmers. A lovely four bedroom home not far from school is available for exchange. Colorado Springs and its surroundings has a plethora of parks and trails for hiking, running, cycling, and mountain biking. It has more than 50 area attractions including trains, museums, parks, a zoo and the US Olympic Training Centre.

There is still plenty of time to apply. Please call Helen Gregory on 8202 8900 or 1800 467 943 more information and an application form. You could also email a brief profile to helen@ieu.asn.au
