JQ:113/17

Dear Rep

Yesterday we emailed an urgent NewsExtra to all members regarding disturbing developments in enterprise agreement negotiations.

Attached is the petition we referred to in the NewsExtra. Please copy and distribute amongst all staff to ensure close to 100% participation.

The petition is designed to put pressure on the Diocesan Directors to urgently resolve all issues on the negotiations for a NSW and ACT agreement.

The petition is important and urgent. We ask you to seek the signatures of all teachers (including casuals) and support staff in your workplace and return it by Monday 21 August to ieu@ieu.asn.au or fax to 9211 1455 or 1800 804 042 (toll free).

You should approach non members to sign the petition and also encourage them to join the Union.

It is vital that we send a strong message to your Director regarding the depth of feeling on this issue.

Please do not hesitate to contact your Union Organiser if you would like clarification about yesterday's NewsExtra or the attached petition.

Yours sincerely

JOHN QUESSY
Secretary
