Independent Education Union of Australia NSW/ACT Branch

March 2022

Welcome to your first edition of Headlines for 2022. May we take this opportunity to thank you for your support as an IEU principal member.

The IEU acknowledges the many challenges principals have faced during COVID and, more recently, extreme flooding. In this edition we provide information on union fee relief for those affected by flooding.

Find out how you can catch up with other principals through the union's networks, and read about some of your colleagues, including Sally Ruston, who was recently made a member of the Order of Australia.
