Independent Education Union of Australia NSW/ACT Branch

March 2021

Welcome to the first edition of Headlines for 2021.

In this edition, we talk to recently retired Executive Principal with Aspect Education Bruce Rowles about his stellar career in special education; we confront the harsh truths revealed by the petition initiated by former Kambala student Chanel Contos that uncovers countless allegations of sexual assault; and we update you on the NCCD and the Principals Sub Branch.

As always, we encourage you to share Headlines with your colleagues and remind them of the benefits of union membership, so we can build our strength in the sector.

Secretary, Independent Education Union of Australia NSW/ACT Branch
