

Issue 1 | 2024

Union news for post-secondary college teachers and staff

Dear Member,

Welcome to the first edition of [Future Perfect](#) for 2024. May we take this opportunity to thank you for your support as an IEU member.

In this issue we provide details of new pay rises and better conditions for members at three colleges.

We look at new federal laws that provide stronger rights for union reps, and changes that enable women to build a more secure future.

Elsewhere, we discuss the boom in international students arriving in Australia.

Finally, fancy escaping the winter and working overseas? We offer a few pointers.

We encourage you to share this email with your colleagues and invite them to [join the IEU](#).

David Towson, Deputy Secretary
IEUA NSW/ACT Branch

Staff at three colleges gain pay rises

How your union has won better pay and conditions for members at UNSW College, Taylors College and Navitas.
