The ten NSW and ACT Catholic dioceses have **rejected our claims** to improve leave entitlements for general employees and match workload improvements for teachers in NSW government schools.

**We need you to show your support for our claims.  
The IEU is calling on employers to:**

- ☒ **Agree to match the workload improvements in NSW government schools** (meetings limited to 10 hours per term including briefings and 50% of the time during PD days to be teacher-directed)
- ☒ **Improve leave for general employees**, in particular long service leave, to match that applying in NSW government schools for long-serving employees
