

# Post-secondary/ ELICOS Teachers MEMBERSHIP FORM

## What the IEU can do for you

The IEU is the union for teachers and support staff in non-government education, including private post-secondary colleges such as ELICOS, business colleges and VET schools.

When you and your colleagues join the IEU, the union can:

- negotiate to improve your wages, conditions and workloads – the more IEU members at your workplace, the greater your bargaining power
- ensure you are paid correctly and that your superannuation is paid accurately and on time
- recover underpayments for members – in 2025 alone, the IEU recouped \$4.4 million in underpayments for our members across non-government education in NSW and the ACT
- be your professional voice in policy and industrial relations impacting your sector, such as reviews of your award and training and professional development
- advise and assist you in a wide range of matters, including disciplinary procedures or dismissal, and help with workers compensation
- represent and negotiate for you and your colleagues at the bargaining table.

**The more members we have, the stronger we are.**

**Join with more than 30,000 of your colleagues in non-government education.**

**You can join us online**
